**NO ONE DOES MORE FOR VETERANS**

**IN THIS ISSUE**

**Keeping our heads up!**  
By Commander Jarrod McReynolds

Comrades, it has been a hard and trying Month. It started with the untimely death of our Junior Vice President of the Auxiliary Mike "Dex"

Rowberg passing. This was followed by the passing of our sister Post 217 Commander Chuck "Mr. VFW" Quigley.

The news has not gotten better as we have also learned that two of our Post members Andrea Fierst, and Lynn Olkives are also battling cancer. It is in periods such as this, that I am reminded of the power and strength that is found in being a member of an organization that is built on comradeship and togetherness. I ask that everyone take a moment and reach out to each other and make sure that your comrade is doing OK. And please keep Andrea Fierst, and Lynn Olkives and their families in your thoughts and prayers while they battle on.

As of writing this there are only three Fish Fry's remaining. Come on out this Friday and enjoy some of the best all you can eat fish, and sides

that you can get for \$10. All the proceeds go to help the Auxiliary continue with their mission of supporting the Post, Veterans and their families the community and youth activities.

Saturday April 13th Palmer Lake VFW will be hosting the District 7th Convention, where Past Post Commander Scott Hanson should be voted in as the Next District 7 Commander. With that said, the Club will be closed until Noon to the Public, and only Auxiliary and Post members will be allowed inside for the meetings. The Installation of Officers will start in the hall at 12.

The website has been updated to a new platform that should allow us to keep things more up to date. An example is the Community Service Hours Graph as Members enter their hours, the graph will automatically reflect these hours.

We will be having our Memorial day event starting out At Mound Cemetery again this year start at 11. [Click here for more information.](#)

## Community Service

Senior Vice Jim Williams

Serving Community and Veterans,

As it starts to get warmer outside, members will start to get more involved in helping others. Please make sure that you fill out a community service report, it only takes a minute, but the collection of these hours is vital for our reports that are sent to Department and then on to National. If you are not

sure what can be reported check out the Community Service page for more information.

The website has been updated, and with these updates the Donation and Community service Volunteers Hours and Donations Table are LIVE! This means has Community Service entries are made the Graph will grow based on that information. Let's see how many hours we can get this year.

Lee Whitcraft a Life member of our Post completed the full 10 miles of the Nearly

Naked Ruck March this month at the age of 71.5 years young. Great job!!!! He is likely the oldest of the 360 that participated this year, and this is his 3rd straight year completing it. The Nearly naked ruck march raised about \$42,000 to support the 23rd Veteran RECON program.

THE POPPIES ARE IN! We are still waiting on the Poppy Cards, but I am told that our wonderful Auxiliary will be watching for them and will assemble the Poppy Cards for distribution.

POPPY CARDS DISTRIBUTION DATES: April 19-28, 2019

AFTER THIS DATE CARDS MAY BE DISTRIBUTED UP TO POPPY DAY

BUDDY POPPY DAY DISTRIBUTION DATES: May 16 - 18, 2019

Our goal is to distribute poppies at, at least, three locations for three days over the third weekend in May. Look for the volunteer sign-up sheets at the Post starting in April.

The poppy is a symbol of the memory of those who have given their lives for their country and a symbol of concern and compassion for those who are disabled. "Honor The Dead By Helping The Living."

## Legislation

By Program Chair Larry Fonder

Greetings Palmer Lake Comrades, Friends, and Family!

By my estimate more than 500 Veterans and supporters gathered for the 2019 Vets on the Hill rally at the state capitol on March 20th! And I am proud to report Palmer Lake VFW along with comrades from the Osseo/Maple Grove American

Members from Palmer Lake VFW, Osseo/Maple Grove American Legion, and Auxiliary at the 2019 Vets on the Hill Rally at the MN State Capitol

Legion took part to represent our community.

Participants lined three tiers of the capitol's rotunda and provided a vivid visualization of voting veterans to Minnesota lawmakers and leaders. Governor Tim Walz committed to eliminating veteran homelessness and declared Minnesota will keep its promise to veterans. Let's hold him to it.

As predicted in the January 2019 newsletter, extending the homestead tax exclusion for surviving spouses was a front and center priority for the rally. The 2018 bills have been reintroduced as HF 204 and HF 205. Currently a veteran rated as 100% permanent and total disabled can exclude \$300,000.00 from the market value of his/her home when paying homestead taxes, and a

surviving spouse can continue this benefit for eight years following the veteran's death. HF 204 and 205 propose to eliminate the eight year limit and expand the law in order to prevent surviving spouses from being taxed out of their homes.

The 2018 bills were expected to pass last year as part of the omnibus tax bill, however, literally at the last hour, the bills were dropped from the omnibus bill without allowing veterans present at the hearing to voice an argument. To avoid a repeat in 2019, we must make our voices heard - we must contact our state representatives to voice our support for HF 204 and HF 205 - and we must remain adamant the bills stand independent and not be incorporated into the omnibus tax bill.

I wish to express my thanks to Trent Dilks, Legislative Chair, Disabled American Veterans - Minnesota, for his logistical support and tireless effort orchestrating the rally.

Finally, thank you to all who attended.

Respectfully,

Comrade Larry Fonder

# Veteran and Post Activities

By Program Chair Blair Sorvari

The Big Marine fishing event at the Veteran’s Rest Camp was a lot of fun. Of the 30 (2 person) teams, 25 teams participated. The weekend event started on Friday when several fishermen fished for supper. After dark fish were filleted and fried at the cantina. Hali provided ham sandwiches and a big taco pasta salad. Thanks Hali. Cribbage, Left, right, center and pool were played until the wee hours.

During the contest on Saturday, the fishing was slow .No walleyes or crappies were turned in at the end of the contest. The Sun Fish contest was won by Kerry Charlet and grandson T.J. Procter, of their 7 caught, the largest weighed 3.2 Lbs. They received \$200.00. Darrin Johnson and Jim Stellmauch won the Northern Pike contest with a 23” fish. They also received \$200.00.

After the weigh-in, a monster potluck meal was held at the Cantina. Several non-fisher people spent the day warming up the crook pots and organizing all the food. Approximately 60 people from Palmer Lake VFW were in attendance. Thanks to all that brought food and had it hot when needed. Door prizes were announced during the meal.

Special thanks to the following people:

Doug and Marcia Holey for donating money for door prizes, The Post Auxiliary for donating money for prizes and snow plowing. The Forest Lake VFW for provided the hospitality tent. J.R.’s Fishing Tackle of Brooklyn Park for matching dollar for dollar the door prizes. And a huge thank-you the staff at the Vet’s Camp. The winterized cabins were simply

awesome as was snow removal. We received first class treatment during the entire event. The Cantina bar tenders were fun and efficient. We had such a good time. Thanks to all that shared this event.

NEXT YEAR. Blair and I were asked to organize this event for next year. We have made reservations for Feb. 21 -24, 2020. The contest portion will be held on Saturday the 22nd. Suggestions are appreciated.

A suggestion has been made to hold another outside winter event, maybe closer to home. “Golf on Ice” has been suggested. If anyone has knowledge/experience of how to run Golf on Ice, please contact Booya.

**Easter is a “movable feast” and does not have a fixed date; however, it is always on a Sunday.**

**Would you believe Easter is related to the full moon? Specifically, Easter is celebrated on the first Sunday after the paschal full Moon on or just after the vernal equinox.**

**For simplicity, the equinox is considered to be March 21(a fixed spring date set by the Church). The paschal full Moon always falls on the 14th day of a lunar month.**

**Easter always falls on a Sunday between March 22 and April 25.**

**What Folklore is Associated with Easter?**
